GROUP CHAIRMAN

ABOUT OUR COMPANY

At **Nasr Al Qemma for Gen. Cont. (NAQ Arabia)**, a proud Saudi-owned company, we are recognized as a leading force in the Kingdom's construction and project support sector. Our expertise lies in providing top-tier technical support, including Civil construction services, Electrical and Instrumentation, technical manpower support and equipment rentals, essential for the successful execution of construction, operation, maintenance, and mechanical projects. With a dedicated workforce and a commitment to excellence, we are at the forefront of driving progress and innovation across various projects in Saudi Arabia.

Our Mission

Our mission at NAQ Arabia is to empower Saudi Arabia's construction and infrastructure sectors by delivering exceptional technical support services that drive innovation, efficiency, and sustainability

We are committed to providing our clients with highly skilled manpower, advanced equipment, and tailored solutions that meet the evolving demands of construction, operation, and maintenance projects across the Kingdom.

Through our unwavering dedication to quality, safety, and client satisfaction, we aim to contribute to the nation's development while upholding the highest standards of integrity and excellence in everything we do.

OUR SERVICES

CIVIL CONSTRUCTION

Civil construction is integral to the development and progress of any nation. It provides the necessary infrastructure for economic growth, social development, and improved quality of life.

- **Residential Construction**
- **Commercial Construction**
- **Industrial Construction**
- **Infrastructure Development**

ELECTRICAL AND INSTRUMENTATION

Electrical and instrumentation systems are the lifeblood of any construction project. These systems ensure that power is safely distributed, machinery operates efficiently, and processes are monitored and controlled with precision. In Saudi Arabia, where the construction sector is witnessing rapid growth due to the Vision 2030 initiative, the demand for reliable E&I services has never been greater.

MECHANICAL CONSTRUCTION

At NAQ Arabia, we offer a broad spectrum of mechanical construction services, designed to support the intricate needs of industries such as oil and gas, petrochemicals, power generation, and water treatment

- **Mechanical Equipment Installation**
- **Piping Systems Fabrication and Installation**
- **HVAC Systems**
- **Structural Steel Fabrication and Erection**

FABRICATION AND STORAGE YARD

At NAQ Arabia, we offer a broad spectrum of mechanical construction services, designed to support the intricate needs of industries such as oil and gas, petrochemicals, power generation, and water treatment.

Our yard is easily accessible by road and is equipped with the necessary infrastructure to handle large shipments. Whether it's receiving raw materials or dispatching finished components to construction sites across Saudi Arabia, NAQ Arabia's yard operations are streamlined for maximum efficiency.

ASPHALT SERVICES

Asphalt contracts encompass a wide range of services, including the design, installation, and maintenance of asphalt surfaces. These contracts are critical for the development of roads, highways, parking lots, and other essential infrastructure. NAQ Arabia offers comprehensive asphalt contracting services tailored to the unique needs of each project, ensuring that every client receives the highest quality results.

SCAFFOLDING SERVICES

When it comes to scaffolding services in Saudi Arabia, NAQ Arabia stands out for its unwavering commitment to quality, safety, and customer satisfaction. Here are several reasons why construction companies choose NAQ Arabia for their scaffolding needs.

Whether it's constructing skyscrapers, bridges, or residential buildings, scaffolding plays a vital role in ensuring that every aspect of the project can be carried out safely and effectively.

HDPE PROJECTS

NAQ Arabia brings a wealth of experience to every asphalt project. Our team of skilled professionals is equipped with state-of-the-art machinery and technology, ensuring that each project is completed to the highest standards. We understand the critical role that asphalt plays in the safety and longevity of roads and other surfaces, and we are committed to delivering solutions that exceed expectations.

EQUIPMENT AND TRANSPORTATION SUPPORT

At NAQ Arabia, we understand that construction projects require a diverse range of equipment to meet specific needs. From earthmoving machinery to cranes and specialized tools, we offer a broad spectrum of equipment support services tailored to the unique requirements of your project.

TECHNICAL MANPOWER SUPPORT

NAQ Arabia specializes in providing comprehensive technical manpower support tailored to the unique needs of the Saudi Arabian construction industry. Our services are designed to ensure that every project we undertake is staffed with professionals who have the expertise, experience, and dedication required to achieve success.

WHAT THEY SAY ABOUT US

Working with NAQ Arabia has been a game-changer for our projects.

KORINA VILLANUEVA

NAQ's Equipment rental services have been critical to the success of our recent projects

FRANCISCO ANDRADE

"Partnering with Naq Arabia has been one of the best decisions we've made for our project support needs
